

Bleed Test File

example-file.com · A4 · 3 mm bleed

Trim size 210 x 297 mm (A4)

Bleed 3 mm on all four sides

Safe area 5 mm inside the trim

Media size 236 x 323 mm

Cut on the marks: colour must reach every edge.

Each edge carries a 1 mm scale: after trimming, the outermost surviving tick is the cut error. The long tick is the trim line.
