Per-channel coverage ramps and total-ink blocks for checking ink laydown, dot gain and drying.

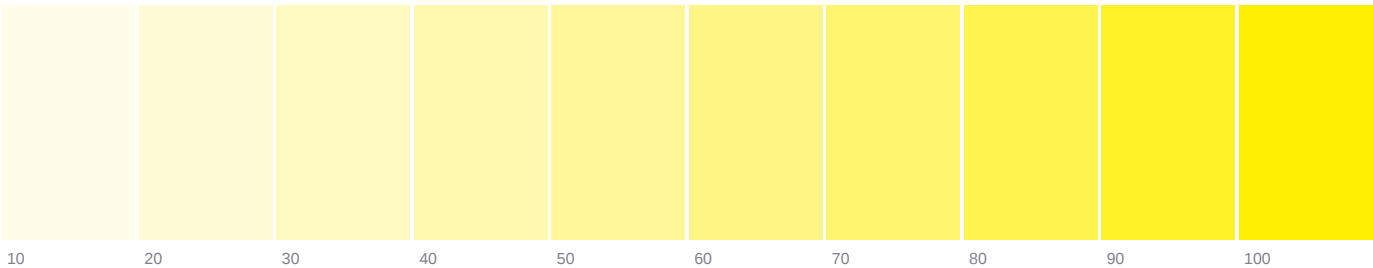

Cyan — 10% to 100%

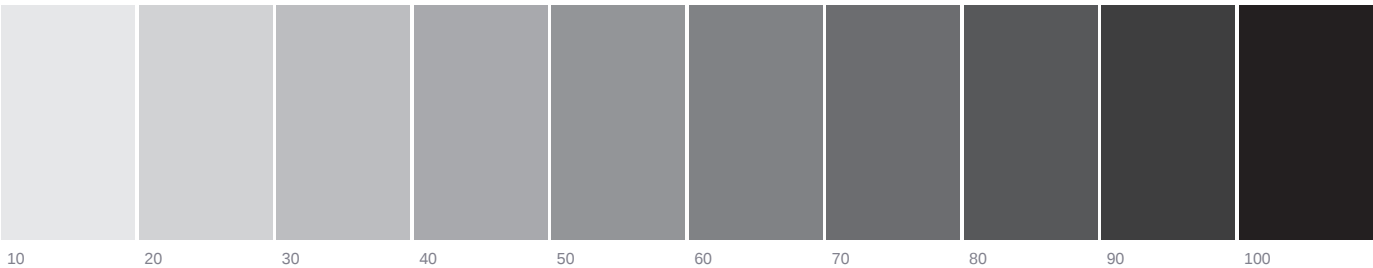

Magenta — 10% to 100%

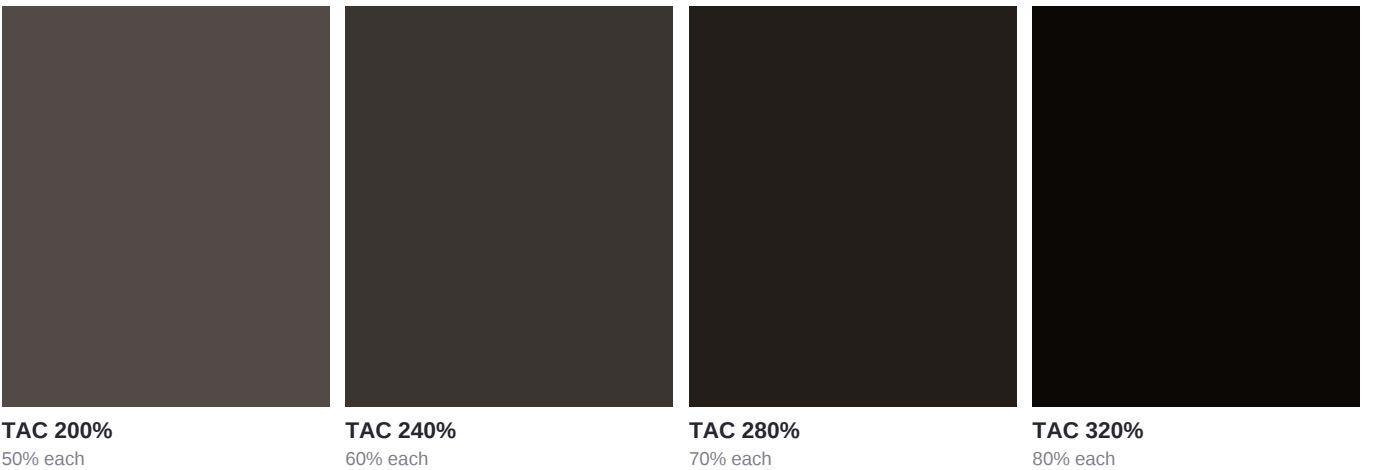

Yellow — 10% to 100%

Black — 10% to 100%

Total area coverage (all four inks together)

Watch these blocks for ink that pools, offsets onto the next sheet, or takes visibly longer to dry -
